Pasta Sheeter **CILINDRO 170** by La Monferrina

Optional Multi Pasta

Optional cutter attachment

Optional extruder attachment

Optional ravioli attachment

The Cilindro 170 table top pasta sheeter produces a 170mm (6.7") wide sheet of pasta that can be used to make tagliatelle, lasagna, and sheets for stuffed products like ravioli, tortellini, and cappelletti. Pasta sheet thickness is adjustable with a locking lever to maintain consistent thickness. Heavy duty rollers produce a silky smooth pasta sheet. An optional Extruder Attachment allows you to make extruded pasta shapes not possible with a pasta sheeter. The optional Ravioli Attachment allows you to make automatic ravioli. The optional Multi Pasta Attachment allows you to make a variety of ravioli, gnocchi, and cut pastas.
